İTİBAR
ÇELİK KAPI

HAKKIMIZDA

Her yeni doğan işletmenin çektiği sıkıntıları büyüme aşamasında bizlerde bizzat yaşadık. 2005 yılından beri sektörde hizmet veren ve 2010'dan itibaren kendi üretimini yapmaya başlayan bir firma olarak sektörün zorluklarını, sorunlarını ve bulunduğu konumu en iyi gözlemleyen firmalardan biri olduk. Firmamızın kuruluşunun ilk yıllarından beri bize gelen teklifleri ve istekleri değerlendirerek müşterilerimizi memnun etmeyi amaçladık ve kendimizi yenileme ihtiyacı hissettik. Sektöründe 10 yılı aşkın deneyime sahip kurumsal yapısını tamamlamış, vizyonunu ve misyonunu müşteri memnuniyeti üzerine kurmuş satış ve üretim anlamında Türkiye'nin yıldızı parlayan çelik kapı üreticisidir.

Üretimini 1.200 metrekare kapalı alanda Kayseri Organize Sanayi Bölgesi'nde gerçekleştirmektedir. Yıllık üretim kapasitesi 10.000 adedin üzerindedir. İtibar Çelik Kapı 1000'in üzerinde modeliyle sürekli artan ihracat performansı ile ürünlerini Avrupa, Afrika ve Ortadoğu'nun birçok ülkesinde son tüketiciye ulaştırmaktadır.

Üretimde kullanılan bütün malzemelerin kaliteli ve TSE'li olması gerekir. Standartlara uygun üretim yapılması, işçiliğe dikkat edilmesi çok önemli. Ayrıca bizim gibi lider olan ve tercih edilen firmalardaki model zenginliği, özel tasarımlar, ekstra güvenli sağlayan teknolojilerin kullanılıyor olması da önemlidir. Günümüzdeki seçkin projelerde standartların üstünde ve detaylarda oluşan kalite farkı ile özel ürünler kullanılmaktadır. Artık çelik kapıda yenilikçi tasarımlar, insan sağlığı ve güvenliği öne çıkaran malzeme ve boyaların kullanılması ve güvenlik ile birlikte estetik açıdan da zengin olan ürünler tüketiciye sunulmalıdır.

İşinizde başarı, yuvanızda mutluluk, kapınızda 'İtibar' olması dileklerimizle...

ABOUT US

We have experienced the difficulties of every new-born business during the growth phase. As a company serving in the sector since 2005 and As a Factory that started it's own production at 2010, we have been one of the companies that best observes the challenges, problems and position of the sector. Since the first years of the establishment of our company, we aimed to satisfy our customers by evaluating the offers and requests that came to us and we felt the need to renew ourselves.

İtibar Steel Door, which has more than ten years experience in Steel door sector, completed its corporational structure and focused on customer satisfaction principle. We realize the production activities in the 1.200 m2 closed area, taking place at the Kayseri Industrial Zone. The production capacity of İtibar Steel Door is more than 10.000 pcs per year. İtibar delivers high quality products with more than 1000 model and designs to Europe, Africa and Middle East by increasing export performance and getting a world wide brand.

All materials used in production must be have TSE quality brand. It is very important to make production according to the standards and to pay attention to the workmanship. In addition, it is important that we have a wealth of models, special designs and technologies that provide extra security in leading and preferred companies like us. In today's outstanding projects, special products are used with the difference in quality above the standards and in details. Innovative designs on steel doors, the use of materials and paints that highlight human health and safety, and products that are aesthetically rich in safety should be presented to the consumer.

We wish succes in your business, happiness at your home with İtibar...
